CLASSES AT DANCE POWER

LADIES DANCEFIT

This class is for ladies of any fitness level as exercises will be adjusted to meet your needs. You don't need any dance experience to give it a try. It is the perfect class if you are looking to enjoy a fun and energetic workout experience. It is a challenging yet enjoyable workout that fuses Dance, Pilates and sculpting exercises at the ballet barre. A 10-class pass will need to be purchased and is valid for 6 months (see fee policy for further details).

TINY DANCERS

This is a fun and interactive parent and toddler class for our tiny dancers (18 months-3 years) that are too young for our Mini Groovers. A parent/guardian will be part of the weekly class and will come in and guide their tiny dancer alongside Miss Amy and Miss Susan.

MINI GROOVER'S (MG)

Mini Groover's is a fun, creative dance education program for girls and boys that promotes physical, intellectual and social development through jazz, acro and ballet classes.

At Dance Power we believe that taking a creative movement approach to teaching preschool dance encourages imagination, expression, growth and development. That's why we have carefully created our own unique Mini Groovers dance program that has solid foundations in early childhood education.

Our Mini Groovers preschool dance program is delivered by fully qualified, friendly and passionate dance teachers in a safe, caring and encouraging environment. Your child will have the option of performing their age appropriate dances at our end of year concerts.

- **MG Jazz & Acro**

An upbeat class that includes both Jazz and Acro. With a major emphasis on fun and creating confident little people, this class is the first stepping stone on your child's dance journey. This class is the perfect way to start developing the co-ordination skills that form technique foundations and are the basics of dance classes. Children are taught safely the basics of acro which will help them develop gross motor skills, as well as stretching and strengthening exercises. This class is not only an introduction to dance but a place to grow, learn and make friends.

- **MG Ballet**

A unique ballet class for all our aspiring ballerina's. This program was created to make Ballet really fun for our youngest students. Introduce your child to the magical world of Ballet in a class that incorporates magic wands, fairy dust, ribbons, teddy's and feathers.

BALLET EXAM CLASSES

It is not compulsory for students to do exams when taking a Ballet class. This choice is to be decided between the parent and student. You will be advised if your child is ready to do an exam. If your child is confident and prepared, we strongly suggest your child does sit for their exam. Sitting an exam is beneficial for your child in many ways:

- For students, examinations provide something to strive for, helping children to acquire skills in a structured and disciplined, yet enjoyable way. Students acquire a strong sense of achievement in progression through examination grades.
- For students who want to seek professional careers in dance/teaching sitting exams provide evidence that they are well trained.
- For parents, examinations provide an independent assessment of the standard their child is achieving.
- It also allows a parent to confirm that the child is progressing and that the investment of time and money in dance lessons is worthwhile.

Minimum class enrolment requirements are enforced for some ballet classes and failure to adhere will result in the student not being able to sit their exam.

Grade 3/4- MUST attend 2 other classes per week.

Elementary& Pointe - MUST attend a LYRICAL and JAZZ class each week in order to sit an exam.

SELECTED GROUPS

Our selected classes will be our Eisteddfod groups. The purpose of these classes is to have students who are dedicated in achieving a high standard of dance. They are like minded students and families that understand the importance of team work. Our 2025 class timetable is attached to this newsletter and all classes with an *asterisk indicates that students will need to be selected in order to enrol in the class.

Minimum class enrolment requirements are enforced for each selected class:

Selected Jazz- MUST attend 2 other classes per week.

Selected Lyrical- MUST attend 2 other classes per week.

Acro Dancer Thursday- MUST attend another acro class for development

Hip Hop Crew - MUST attend 1 other Hip Hop Class per week

Want to join a selected group?

The staff are always looking for dancers to extend their skills. At the start of each year we will invite dancers to join our selected classes. If you are interested in joining our selected classes please let us know upon enrolment.
